RE: 2010 Nationally and Regionally ranked teams for postseason award nominations

Included with this letter is the exclusive list of regionally and nationally ranked teams to be used for the compilation of statistics for your nominees for AVCA All-Region and All-America Team selections.

For AVCA All-Region and All-America Awards purposes, a regionally ranked team is defined as any institution included in any NCAA regional ranking during the 2010 ranking period to date; a nationally ranked team is defined as any team ranked in the 2010 AVCA Division III Coaches Top 25 Poll for any **three weeks, excluding the preseason poll.**

When you complete the statistics section (page 2) of the online nomination process you should **only** use the teams that are listed on the following page for requirements No. 2 and No. 3 below. You must submit each player's statistics against:

- 1. All teams on your schedule;**
- 2. Regionally ranked teams only** (from all regions, not just your own); and,
- 3. Nationally ranked teams only.**

***Use **only** the teams listed on the following page when calculating statistics against regionally and nationally ranked teams; do not add teams as new polls and/or rankings are released.*

If you do not have a 2010 AVCA Awards Packet you may obtain one from Awards Nominations page of the AVCA Web site (<http://www.avca.org/awards/nominations/division-three/>).

Please remember that all postseason nominations must be submitted on-line and match-by-match statistical reports uploaded by **5 p.m. EST, Monday, Nov. 1.**

If you have any additional questions, please contact me at amanda.brungs@avca.org or 866-544-2822.
