

JVA Coach to Coach Video of the Week

Every Tuesday throughout the club season JVA will feature a short video from a JVA member club to educate JVA members and the entire junior club volleyball community on an important junior related topic. We invite you to showcase YOUR CLUB to the volleyball community and share what you are doing successfully with your peers. Videos will range from a variety of topics to help you run a successful junior volleyball practice, program, meeting, and club. If you are interested in submitting a video please contact [Briana Schunzel](#) to learn more. We have plenty of ideas to help you get started; we are currently lining up clubs who are ready to shoot some footage and share!

The video needs to be 2-3 minutes in length on a topic relating to the club season.
Video Ideas (you do not have to choose a topic from below):

1. Defensive/blocking drills
2. Utilizing a half court during practice
3. Making a highlight video for your players
4. How to get serving reps in during a short practice time
5. Running coaches meetings
6. Successful fundraising ideas
7. Developing team chemistry
8. How to market your club using Social Media
9. How to maximize practice time and incorporate serving reps
10. How to run a team store in your facility

Once you have your video complete, you will upload it to our FTP site and we will take care of the rest. Your video will be shared with in VolleyBiz, JVA and AVCA social media outlets and our combined email database of club coaches and directors.

Thank you for your interest... now let's get your club's video on
