Date of List: 3-21-11

\*The list is generated from conversations that have taken place between administrators and/or coaches and the AVCA or information that was shared w/ the AVCA by credible sources. An institution is also added to the list when the volleyball coach is actively recruiting prospective student-athletes w/ the promise of a sand program. This list is not inclusive of all institutions that may be discussing adding Sand Volleyball, as no one is required to contact the AVCA. If you have updates, please alert us. Also, note the date on each list as programs may be added or subtracted as information is updated.
