

Coach's Name:	Steve Walker
School or Club Name:	UC Davis
Conference Name:	Big West
Division:	I
Skill:	Left Side Attacking
Drill Level:	Intermediate
Drill Name:	Left Side Attacking Selection
Objective:	To have the left side attackers demonstrate the ability to choose and execute proper attack selections. To ultimately terminate the set
Equipment Needed:	
Directions:	<p>In a live setting environment, use 3 left side attackers vs. variation of blocks (solid double or triple, late filling middle, single static, or dive blocker).</p> <p>Make use of a live setter and a passer (libero).</p> <p>Coach stands behind the hitters viewing attack selection and execution.</p> <p>Player return in line for feedback.</p> <p>Coach also gives blockers designated "signals" for type of block.</p>

- S = setter
- P = passer
- H = hitter
- SE = server
- D = digger
- B = blocker
- T = target
- TO = tosser
- C = coach
- ▶ = path of the ball
- - -▶ = path of players
