# Using Resources

- ▣ Usually high school facilities are less expensive than college facilities
- ▣ Copy “best practices” from successful clinics
- ▣ Use your own successful high school/middle school coaches. Everyone wants to know what the state championship coaches do!
- ▣ Ask for help! The worst answer you can get is “no” and you are not out anything

# Copy, copy copy!

- ▣ Imitation is the most sincere form of flattery!
- ▣ Use every “best practice” from every source you can!
- ▣ Keep things moving and have drill sessions
- ▣ Use your board members and volunteers to man the registration table, introduce speakers, be gofers, etc. You can not afford to pay for these services.

# One Stop Shopping

At the OHSVCA clinic our coaches can:

# We've come a long way!

- ▣ We started 26 years ago with a handful of coaches.
- ▣ Our first clinics were held at The Ohio State University
- ▣ We now meet at a local high school, register online, publish a clinic handbook, and give away goodies to every coach in attendance.
- ▣ We pay a clinic coordinator, vendor coordinator, subscribe to CVENT for registration, pay for printing, charge vendors,

# We've come a long way

And have vendors asking about advertising in our clinic handbook.

It will not come in one year, but you will be surprised how fast it will build.

Everything we do as an organization is funded by our annual clinic. Some of our functions:

- ▣ All Ohio Polls and Awards in all divisions
- ▣ Final Four Pins
- ▣ Coaches Milestone and Achievement Awards
- ▣ OHSVCA Hall of Fame

## We've come along way

- ▣ Annual Coaches Clinic
- ▣ Scholarships
- ▣ Winter Work Session for the OHSVCA Board
- ▣ Meeting expenses for the OHSVCA Board and mileage to meetings and events
