

**2010 AVCA Student Scholarship Application
AVCA Annual Convention
December 15-19, 2010
Kansas City, MO**

Thanks to a scholarship fund supplied by the AVCA Coaches 4 Coaches Committee and donations to the Coaches 4 Coaches Scholarship Fund, the American Volleyball Coaches Association is pleased to announce the second annual Coaches 4 Coaches Scholarship Program. The scholarship program will provide eight (8) college students who are active AVCA members the opportunity to attend the 2010 AVCA Annual Convention in Kansas City, Missouri to interact with others who have had success at all levels of coaching. It will also allow the scholarship recipients to explore the limitless networking and educational opportunities available at Convention. This is a unique opportunity to develop professional skills and learn about becoming a better coach and leader.

Eligible applicants must be a college student, verified by an official from your institution, and an active AVCA member. Membership categories in which college students could be categorized are high school coaches, club coaches, volunteer/student assistants or student members. Applicants must be a first-time attendee of the AVCA Annual Convention. **Please Note:** If you are a varsity student-athlete, you must have exhausted all playing eligibility with your institution's varsity program and confirm with the AVCA that you have discussed any potential continuing eligibility issues, should there be any by participating in this scholarship program, with your Athletic Director.

Scholarship recipients will be selected by the committee based on academics, contributions to the sport of volleyball on and off the court, a professional letter of recommendation, and a personal written submission outlining their desire to attend the AVCA Annual Convention and their aspirations in coaching (see questions on following pages). The scholarship will cover hotel and Convention Registration costs, but attendees will need to pay for their transportation costs and match tickets, if desired.

Convention Requirements: The AVCA and the Coaches 4 Coaches Committee would like to give the scholarship recipients the opportunity to 'give-back' during the AVCA Convention. The recipients will participate in community service in the surrounding Kansas City area. Times, dates, and locations will be arranged and communicated by the AVCA. The AVCA will also ask the participants to keep a daily account of their experience for others to follow and to help grow the program in the future.

(Please see additional questions on next page)

Please complete the scholarship application below and return with supporting documents to the AVCA Office by Friday, October 8, 2010.
