2024 AVCA Top 25, Top 50, and Top 100 Teams Announcement [Updated]

[Updated List Explanation] – Due to an oversight, RPI was not included in yesterday's release of AVCA Top Team lists. After reviewing the RPI, we are adding the following teams to each list:

- **AVCA Top 50 – Auburn, South Dakota State, Wright State**
- **AVCA Top 100 – Appalachian State, DePaul, Illinois-Chicago, Wichita State, Yale**

No teams are being removed from the previous list. This year's AVCA Top 50 includes 53 teams and AVCA Top 100 includes 105 teams. No changes will be made to the AVCA Top 25. Full updated list are featured below.

Included with this letter is the **exclusive** list of AVCA Top 25, Top 50 and Top 100 teams to be used for the compilation of statistics for your nominees for AVCA All-Region and All-America awards.

For AVCA All-Region and All-America Awards purposes, the **AVCA Top 100 Teams** are institutions that have been listed most often in the top 100 of the most recent RPI, KPI, Pablo, and Massey rankings; **AVCA Top 50 Teams** are institutions that have been listed in the top 50 of the most recent RPI, KPI, Pablo, and Massey rankings. In the event of a tie for the final spots on each list, the team with the highest average ranking across all 4 lists would be included.

The **AVCA Top 25 Teams** are institutions listed most often in the top 25 of the most recent AVCA Top 25 Coaches Poll, RPI, KPI, Pablo, and Massey rankings. If an AVCA Top 25 Coaches Poll is not featured in the initial list, they will be added to the group. In the event of a tie for the final spots, the team with the highest average ranking across all 5 lists would be included. The AVCA will share stats versus Top 25 to the All-Region and All-American Committees via custom statistics dashboards provided by Hudl VolleyMetrics during the nomination review process. The dashboards will assist with ranking the All-Region selections and provide additional statistical data for the All-American Committee to use as a component in their selections. The AVCA will not collect stats versus Top 25 teams on the online AVCA nomination form.

For 2024, the AVCA will be collecting statistics through the online nomination process in the following three categories:

1. **Vs. AVCA Top 50 Teams only;**
2. **Vs. AVCA Top 100 Teams only**
3. **Vs. all opponents.**

When you complete the statistics section (page 2) of the online nomination process you should **only** use the teams that are listed on the following page for requirements No. 2 and No. 3 above.

Please remember that all postseason nominations must be submitted 1.) online **AND** 2.) match-by-match statistical reports must be uploaded to the online nomination **3pm ET, Sunday, December 1, 2024.**
