CHOOSE TO MAKE 2024 YOUR GREATEST YEAR YET AS A COACH, LEADER, HUSBAND, FATHER AND MAN

"I said yes to becoming a part of the Epic Journey community because I had a friendship and trust with Geoff, but it was honestly an uncomfortable stretch for me. **Being in the group for 2 years now has impacted me greatly well beyond coaching and leadership.** It has taught me that we don't have to isolate ourselves and that being vulnerable and real with other men is transformational. If you want to expand and grow, I believe this is part of that path."

5 x National Championship Coach

"**Like a lot of things in life, I just didn't get it until I experienced it.** Being with Geoff and this community of men has shown me that I am not alone in trying to balance my family and professional worlds. More important and surprising was how much this experience has positively challenged me to grow as a leader, as a coach and as a man."
