#### **What made you decide to get into coaching volleyball?**

Growing up, I had several influential coaches who made a huge difference in my life. I owe so much to them and want to give back to players to help further that. I hope that players can learn similar lessons to those I learned from the coaches who gave me so much!

**What are your career goals in the sport?**

I really enjoy leading and directing at Houston Skyline. My goals are to continue along this path and keep providing resources for our players to continue to grow. I strongly believe in what Houston Skyline was built on and want to continue to further that as much as I can.

**Which coaches have influenced you the most?**

Jen Woods - Houston Skyline Founder,  
Tina Young - Memorial High School  
Basketball & Volleyball Coach

**What do you enjoy most about your coaching job?**

I enjoy forming relationships with my players and getting to see them advance and grow in a sport they love. Getting to see them become better teammates, to learn to play volleyball at a higher level, etc, is so rewarding for me!
