What made you decide to get into coaching volleyball?

I wanted to use my passion for the sport of volleyball to make a positive impact on today's youth.

What are your career goals in the sport?

Short term I would like to continue to hone my knowledge and skills long term I would like to coach in the NCAA and eventually mentor other Coaches.

Which coaches have influenced you the most?

The coaches who have influenced me the most is a tough one, because I've taken so many different aspects from so many coaches. However I would say my coaching style heavily reflects major views of John Wooden, and more recently Steve Kerr.

What do you enjoy most about your coaching job?

The relationships you build along the way.
