2024 Nationally and Regionally Ranked Teams

AVCA will publish its list of Nationally Ranked Teams and Regionally Ranked Teams on **Wednesday, November 20** to the AVCA DII Awards Nomination page (time dependent on when NCAA RAC Rankings are released). Each list will also be emailed to all AVCA member head coaches. **ONLY teams on this list are to be considered when compiling summary statistics for regionally and nationally ranked competition in the postseason awards process.**

Nationally Ranked Teams includes:

- Top 50 Pablo rankings, as published week of Nov. 18, 2024
- All teams that appear on the AVCA Division II **Top 25 Coaches Poll at least THREE or more times** (not including the DII Preseason Poll)

Regionally Ranked Teams includes:

- All appearing on Nationally Ranked teams list
- All teams that are featured on the **2024 NCAA Regional Rankings** by region (published on November 20)

In addition to match-by-match statistics and cumulative season statistics, AVCA All-Region/All-America Nomination Form requires the head coach to report statistics earned by that individual athlete in competition against teams listed as Nationally- and Regionally-Ranked.

A match against a Nationally- and/or Regionally-Ranked Team must be included regardless of whether or not that team was ranked at the time of competition.
