- Freshman Head Coach - Girls Indoor Volleyball - Scripps Ranch High School - 2023
- JV Head Coach - Girls Indoor Volleyball - Scripps Ranch High School - 2024

What made you decide to get into coaching volleyball?

I'm not sure there was ever really a decision to coach volleyball, it was one of those things where the opportunities presented themselves at the right time with the right people and I am so grateful that they have!

What are your career goals in the sport?

I would love to win a few more CIF championships and make it to coaching the college level or beyond.

Which coaches have influenced you the most?

Having grown up in athletics, I've experience many different coaches and coaching styles. I can't say that one specific coach has influenced me more than the others, but as I have gotten to work closely with Ronni Olsen and Nancy Moyer, I am in awe of their ability communicate and connect with the kids.

What do you enjoy most about your coaching job?

It is so much fun watching the girls grow and develop not only with their skills throughout the season, but as young women contributing to society throughout their 4 years in high school and beyond. I think the moment I enjoy most is when we are working on a specific skill and it finally clicks with the kids; you see that immediate shift in the player's execution and confidence which makes it all worth it.
