Nominating Procedures

The postseason nomination procedure is an online process. There are no restrictions regarding how many student-athletes one team may nominate, as there are no restrictions on the number of student-athletes that one team can place on the AVCA All-Region/All-American teams.

Please use your professional judgment to only nominate those student-athletes who legitimately have a chance to earn AVCA All-Region honors. Only student-athletes who are selected to their respective AVCA All-Region team are then eligible for AVCA All-America consideration.

Nomination Rules & Requirements

The general requirements for nominating a student-athlete for AVCA postseason honors are:

- The student-athlete must meet all eligibility requirements as listed in the rules adopted by her respective institution;
- The student-athlete must be nominated by her institution;
- The student-athlete must have participated in **2/3 (66.7%)** of all sets (not matches) during the current season at the time of the nomination deadline;
 - **AVCA Two-Thirds Participation Waiver:** Student-Athletes who fail to participate in two-thirds of all sets (not matches) during the current season due to Institution-approved participation in Olympic, Pan American, World Championships or World University Games are eligible for AVCA All-America consideration if all other nomination requirements are met. All regular deadlines, policies and procedures remain in effect. No statistical information may be substituted. The official participation documents must accompany the nomination.
- **All deadlines** (page 2) and guidelines must be met for a nomination to be considered – **NO EXCEPTIONS.**
- The student-athlete's head coach must be a member in good standing of the American Volleyball Coaches Association. Head coaches have until **Friday, October 31** to become a member or renew their membership to ensure compliance.

Terms for Disqualification

Failure to meet the above stated rules and requirements may result in the disqualification of a student-athlete from AVCA All-Region and All-America consideration.

Region Freshman of the Year Candidates

Candidates for AVCA Region Freshman of the Year **must be a true freshman**. The AVCA National Freshman of the Year will be selected from the (up to) ten AVCA Region Freshmen of the Year award winners.

Awards Selections

The selection of the All-Region Team is determined in part by all member head coaches' votes, and in part by the Regional Committees. This process was designed in 2014 to increase the representation of the AVCA's member head coaches within the selection process, while still ensuring that the most deserving student-athletes are named. **The voting will take place from 8:00 a.m. (EST) on Wednesday, November 12 through 5:00 pm ET on Friday, November 14.** All AVCA-member head coaches will receive the same statistical analysis that the regional committees receive to help in the voting process.

The All-Region Team selections are NOT based upon position specific requirements. Instead, coaches will vote for their top **20** most deserving athletes on their All-Region ballot (*new for 2025, previously was 14 athletes*). The All-Region Committee will still be encouraged to have a fair representation from all positions. *For committee reference, 2014 and prior positional requirements were as follows:*

- 5 Outside/Opposite Hitters
- 3 Middle Blockers
- 2 Setters
- 1 Libero/Defensive Specialist
- 3 At-Large Selections

Voting Rules

- Coaches cannot vote for their own players.
- Coaches must vote in order for their players to be considered for the All Region Team.
- Coaches must vote for a total of **20** players (new for 2025, previously was 14 players).
- The voting will take place online through a link provided by the AVCA.
- All-Region Committees remain intact to ensure the proper teams are named. Their main role is to review the voting results, nominations and statistics and take action in the case of low voter turnout or obvious collusion.
- **Athletes that receive the top six vote totals from each region will be automatically assigned to the All-Region team. In the event of a tie for the sixth automatic selection, the All-Region committee will determine who will receive the automatic selection.**
- **Committees are NOT permitted to select any co-award winners** in region and national athlete or coach categories, including Co-Coach of the Year, Co-Player of the Year, etc.
- **NOTE:** Athletes from Independent schools or teams in conferences split among multiple regions (ex. Coast-to-Coast, UAA) will appear on ballots in their regions. In recognition that these teams may not play many matches within their designated region (and vote totals could be affected), coaches of independent/split conference teams are encouraged to contact their All-Region chair to provide additional information on their candidates for consideration by the region committee.
- The All-Region committees will forward a select list of All-Region players eligible for All-America status. The selection of the All-America Teams are determined by the Regional Chairs, who make up the All-America selection committee and represent their respective regions.

Awards Announcements

If your student athlete(s) is selected AVCA First, Second, or Third Team All-America, National Player of the Year, or National Freshman of the Year, head coaches will be notified by Tuesday, November 25 via phone call and/or email from the AVCA staff. Head coaches providing a number where you can be reached away from your home or office is most helpful.

The 2025 AVCA DIII National Player of the Year will receive an invitation to the **AVCA Pro Volleyball Federation All-America/Players of the Year Banquet presented by Nike** on **Friday, December 19**, held in conjunction with the 2025 AVCA Annual Convention in Kansas City, Missouri.

The AVCA will provide ONE ticket to the DIII National Player of the Year to attend the 2025 banquet, as well as a travel reimbursement. This banquet ticket will only supply admission for the National Player of the Year. Additional banquet tickets for family and friends may be purchased for \$45 each (limit up to 3 tickets) on-site at the AVCA Convention Registration desk located in KCCC Lobby 2300.

2025 Nationally and Regionally Ranked Teams

AVCA will publish its list of Nationally and Regionally Ranked Teams on **Wednesday, November 5** (ASAP after publication of NPI rankings). List will also be emailed to all AVCA member head coaches. **ONLY teams on this list are to be considered when compiling summary statistics for regionally and nationally ranked competition in the postseason awards process.**

A match against a Nationally- and/or Regionally-Ranked Team must be included regardless of whether or not that team was ranked at the time of competition.

If your team has NOT competed against any Nationally Ranked (or Regionally Ranked) teams, you must enter the following on the stats page of your nomination: a “1” in both the Team Sets Played and Sets Played fields, and zeroes for the rest of that section. The form requires at least a ‘1’ in those fields in order to save the rest of your stats. Please note that entering this incorrect data this will not affect your athlete’s eligibility.

Nationally Ranked Teams

The list of Nationally Ranked Teams will include:

- All teams that appear on the AVCA Division III Top 25 Coaches Poll at least TWO or more times (not including the DIII Preseason Poll)
<https://www.avca.org/polls-awards/polls/?divisions=division-iii-women>
- The Top 50 teams in NCAA NPI rankings, as of November 5.
https://stats.ncaa.org/selection_rankings/nitty_gritties/39653

There is no minimum or maximum to the quantity of teams that can appear on this list.

Regionally Ranked Teams

The AVCA Regionally Ranked Team List is determined using a combination of the AVCA Nationally Ranked Teams and NCAA NPI Rankings (replaced RAC Regional rankings).

- All teams that are featured on the 2025 AVCA List of Nationally Ranked Teams, given the guidelines above, will be featured in the list of Regionally-Ranked Teams under their respective region.
- AND, the top 8 teams per each region that are featured on the 2025 NCAA NPI Rankings (as published on November 5, 2025).

No team with a win-loss percentage under .500 can be featured on the AVCA Regionally Ranked Team List. AVCA reserves the right to publish this list with less than the minimum number of 8 teams (as determined by the NCAA NPI Rankings), should the next team(s) ranked have under a .500 win-loss percentage.

Statistics to Include in Your Nomination

In addition to match-by-match statistics and cumulative season statistics, AVCA All-Region/All-America nomination requires the head coach to report statistics earned by that individual athlete in competition against teams listed as Nationally- and Regionally-Ranked.

- **DEADLINE: Sunday, November 23 at 1pm Eastern Time.**

Head Coaches are encouraged to edit their nomination to submit updated stats for athletes that were selected to an AVCA All-Region team, prior to the All-America committee call.

Coaches are not required to update stats in order for their athletes to remain eligible for AVCA All-America honors, ***HOWEVER this is highly encouraged as the committee selections are based heavily on stats versus Nationally/Regionally-Ranked teams.***

Please note: To ensure fair evaluation for all athletes eligible, the All-America Selection Committee will be able to view which athletes have updated stats submitted and which athletes only feature stats prior to the original deadline.

1. Follow the same online path and log-in process as above. Once logged in, you will be able to see all nominations that you have previously started and/or completed. Click on the nomination you would like to edit.
 - ***Note: Head Coaches will still be required to nominate athletes prior to the nomination deadline on Monday, Nov. 10.*** Coaches will not be able to submit new nominations after the deadline – only edit existing nominations. Coaches and SIDs will use the same nomination link to access previous nominations and make edits (contact AVCA for assistance if needed).

 - Updated Win/Loss records
 - Updated Awards and Recognition with any potential conference awards
 - Updated Stats vs All Opponents, Regionally Ranked Teams, and Nationally Ranked Teams
 - Note that the list of Nationally and Regionally Ranked Teams does not update or change from the original that is released on Wednesday, November 5.
