What made you decide to get into coaching volleyball?

You know i graduated college and really just wanted to stay in Volleyball and so i tried out coaching college ball and have loved it every since.

What are your career goals in the sport?

I'd love to bring my alma mater Loras a final 4 and a ring.

Which coaches have influenced you the most?

Dave Rehr at Houston, I had a lot of fun driving him to his new big boy job at University of Houston because he didn't have a car.

What do you enjoy most about your coaching job?

I enjoy being apart of these young men's lives and just being there to help build them through crucial years of growing up.
